I visited the Basilic of the Holy Shroud. After
having prayed and talked to Jesus, we went out and
I felt an immense joy in me; I praised the Lord for
showing me His Great Love, a Love I never knew
all these past years. Just then I was covered by a
strong incense fragrance. My joy doubled, for His Sign.

We walked to San Domenico Church, where 2 years ago
my cousin saw an apparition of our Holy Mother, above
the Church's side door, to call us in, since it was
the Feast of Our Lady of the Rosary and we did not
know then. — We were early for mass and so while
sitting I was in adoration to Jesus. I was speaking to
Him in French, realizing this I said to Him in
English: "why am I speaking French to You? I'll
speak to You in English," and immediately Jesus
said to me: "I would rather you speak to Me
with your heart." And He showered me with
His Incense Fragrance.

My Holy Name to be profaned ♡ My Passion
is being repeated in My Mystical Body and
I suffer as much as I had suffered in My
Passion. I tread, daughter, repeatedly on the

all this?

Breathe on us to become victims of
Love and be able to expiate for others, Lord Jesus.

Somehow in that single week I was in Rhodos,
people following these messages arranged two
prayer meetings with the local catholic and
orthodox priests. Let us say, Saint Francis
and Padre Pio together with Saint Basil lead
by our Mother of Perpetual Help arranged those
unexpected meetings. One was held in the
Saint Francis Church and the other in the
Greek Orthodox Church of Annalypsis.
Dad? I've done the shouting as You've
asked me to do on the message of the 30th
September. I've shouted out the Truth.
